

PUSH-OUT BUCKET

STOUT
EQUIPMENT

- Precision Loading
- Faster Cycle Times
- Dual Hydraulic Cylinders
- Quiet Dump (No Bucket Rattle)
- Less Wear on Loader Pins
- Use for Silage, Grain, Manure Recycling, Soil, Mulch, and Fertilizer applications

FEATHER FEED OUT

HIGHEST LOADING CAPABILITY

Push Out Bucket

The Push-out bucket gives you the high reach you need without dumping the bucket or shifting the center of gravity, allowing the operator to release material quickly and back away while the pivoting push gate retracts

Model #	Size	Width	Depth	Height	Weight
